## Notice to the Industry

### Mare Breeding Incentive Program

For 2018, a Mare Breeding Incentive Program is being introduced to the Quarter Horse Racing Industry Development Program (QHRIDP) to encourage the breeding of QH mares and increase the future racing population.

An incentive of \$1,000 will be paid to the owner of the mare at time of breeding upon application and provision of proof that the mare is in foal 60 days or more post-breeding.

To be eligible, mares must have been previously enrolled in the QHRIDP, or have raced at Ajax Downs in the past 2 years. The owner and the mare must be enrolled in the Program for 2018.

This change will be included in the 2018 Criteria Book.

A Mare Breeding Incentive Application form is available on the Ontario Racing website, [www.ontarioracing.com/Industry/Breeding-Programs/Quarter-Horse-Program.aspx](http://www.ontarioracing.com/Industry/Breeding-Programs/Quarter-Horse-Program.aspx)
