(Accidents, claims, fines and/or suspensions, objections and/or disqualifications, refunds and any other pertinent incidents)

Backstretch:

No issues to report

Prior to the horses going into the gate for the 6th race a call was transferred from the Racing Secretary's office from trainer Scott Reid who wished to scratch his horse One Dashin Folly from the seventh race due to the racetrack condition of sloppy. He contended his horse does not handle the surface and could possibly be injured. We explained that a scratch would have been taken into consideration if it had been submitted this morning and at this time we would not allow the scratch.

Radio and timer checks completed, all clear

Race 1, No triactor wagering, #1 The Fightin Duck stepped out to #3 Illbegoneajet, no placings required #1 finishes in behind #3, rest ok

Race 2, #2 You Zee Me Now, off a step slow, #6 Ms. Mexican Mouse bore out at start, rest good.

Race 3, Jockey claim of foul, #5 Too Much White, 4th C. Figueroa, on #6 One Special Domino, 2nd, T. Phillips, at the start. Upon review of the two camera angles,

it appears the #5 bares out to #6, #6 appears to stay straight. Claim of foul disallowed. Call from Jockey C. Willick, #3 Bending Over, 5th, she felt she was bounced around from the outside down to the inside, not sure who caused the interference. #3 is in the middle mid-stretch, #4 does come in and they do make contact, #3 does check but the contact was not sufficient for a placing and the track is playing into the action of the horses.

Knowles does check slightly but appears that there is room for him if he stays. Rest good.
