**AJAX DOWNS, MONDAY OCTOBER 19, 2020** - With a quick turn of foot, 9 to 1 longshot **HANOVER HILL THERESA** got up in the last stride of the \$64,700 Ontario Sired Stakes Futurity at Ajax Downs Monday to win by a nose over heavily favoured Bogie Wheels.

The 2-year-old bay filly, owned and bred by the Picov Cattle Company and trained by Joe Tavares, was outprinted early in the 330-yard race for 2-year-olds by stallions standing in Ontario but rushed into contention under jockey Cory Spataro while Bogie Wheels grabbed a clear lead. Just before the finish, Hanover Hill Theresa surged past the favourite to collect her first career win.

Bogie Wheels finished second but was disqualified and placed eighth and last for interfering with All Outta Sugar out of the gate. Raven Racing Syndicate's Jess Raven was placed second and Hanover Hill Lynda, also from the Picov Cattle Company, was moved up to third.

"I didn't know much about her," said Spataro who was riding Hanover Hill Theresa for the first time. "She was very quiet during the pre-race proceedings and we were lucky enough to have an outside post as there was a bit of kerfuffle with others in the middle. She sailed on by and got up to win, It was a surprise to me but a welcomed one."
