Third Start Bonus

With the return of a full Quarter Horse racing season, the deadline for the first submission of applications for Third Start Bonus reverts to the regular date of August 15.

Please note that in 2020 the program expanded to include payment to the owner of the qualifying horse.

Two-year-olds of 2021 that did not have three starts in 2021 and have their third start in 2022 as a three-year-old are eligible to apply.

Please ensure you are using a 2022 application form and submit it to the QROOI office by August 15.

Application forms are available on the Ontario Racing website.
