COREY ILLMAN	Director
SCOTT REID	Director

This Race meeting is being conducted with the approval of the Alcohol and Gaming Commission of Ontario (AGCO), and the rules of Racing of the AGCO apply to the conduct of all races, and the Racing Association conducting this meeting has been licensed by the AGCO.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and Agri-Food Canada, Mr. Gerry Ritz, Minister. All pari-mutuel pools are calculated and distributed in accordance with the Pari-mutuel Betting Regulations.

While every effort is made to avoid mistakes in the makeup of this racing program, Ajax Downs and Q.R.O.O.1 assume no liability for program errors or omissions. The selections and picks in the program are independent and do not necessarily reflect the views of Ajax Downs or Q.R.O.O.1

Official Program ©2019 Picov Downs Inc. Ajax Downs Operated By Picov Downs Inc. Printed in Ontario

General;

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 (English), 1-800-3344 (French) or Email: cpmawebacpm@agr.gc.ca.

All tickets should be held until the result of the race is declared official and prices are posted. No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within 24 hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Customers are reminded that clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of the purchase to cover the wagers requested.

ENTRIES

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as one betting interest. The most common reason for coupling of horses in an Entry is the fact that they are owned by the same person.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

Where the Daily Double feature is operated, the Daily Double is a betting transaction in which the purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double and that if the purchaser of a Daily Double ticket fails to pick the winner of the first half of the Daily Double his bet is void and that all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are void no matter what circumstances might affect the programmed running of the second half of the Daily Double. The Daily Double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the Daily Double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has been declared official, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double Race, shall participate in the Consolation Double pool.

EXACTOR/TRIACITOR/SUPERFECTA

An Exactor, Triactor, Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves or the same betting interest. Example: If the same betting interest finishes first and second in an Exactor wager, the Exactor payout will be on first and third.

PICK 3, PICK 4 & PICK 5 BETTING

The Pick 3, Pick 4 and Pick 5 features are betting transactions in which the purchaser of a ticket undertakes to select the winners of four, three or five consecutive races on which the Pick 3, Pick 4 or Pick 5 is scheduled to be run. The winning combination of horses constituting a winning ticket shall be those horses that finish first, in the official order of finish in each leg or feature. Where no tickets have been sold coupling horses finishing first in the official order of finish of each leg of the pool, winning tickets shall be determined in the following sequence:

Pick 3

- A) The winner of two legs;
- B) One winner of one leg.

Pick 4

- A) The winner of three legs;
- B) The winner of two legs;
- C) The winner of one leg.

PICK 5 with 100% Carryover

The net Pick 5 pool and carryover, if any, shall be distributed as a single price pool to those who selected the first-place finisher in each of the Pick 5 contests, based upon the official order of finish. If there are no such wagers, then 100% of that day's net pool shall be added to the carryover. Where there is no correct selection of the first-place finisher in at least one of the Pick 5 contests, based upon the official order of finish, the day's net pool shall be refunded and the previous carryover pool amount, if any, shall be carried over to the next scheduled corresponding pool.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and websites.

The Double, Pick 3, Pick 4 & Pick 5 pools are not refunded after the first leg has been declared official.

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded. If no winner is picked in any legs of the Pick 3 or Pick 4, a complete refund will be issued.

FLIPPING HALTER RULE

Flipping Halters are designed to prevent horses from rearing or "flipping" in the starting gate. A rope is attached to the front of the starting gate and is run through the flipping halter. The use of a flipping halter on a horse is an important handicapping factor because the opening of its individual gate may be delayed if the horse leans back against the rope or attempts to "flip" as the gates are being opened. In these cases, horses are still considered starters. The use of flipping halters will be noted in the program or by the announcer.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race.

LOST & OLD TICKETS

Issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Ajax Downs Wagering Ops, 50 Alexander's Crossing, Ajax, ON L1Z 2E6, keeping a photocopy for future reference.

For "lost tickets", please enquire at Ajax Downs Simulcast Ops. Policy may be subject to change in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE AND TAXATION LEVY

AJAX DOWNS retains the following percentages from wagers placed which are then shared between the horsepeople, Host and Simulcast Associations and The Ontario Racing Commission.

Win, Place, Show - 21.3%, all other wagers - 21.3%

Horsepeople receive 2% on all wagers, except 4% on Triactor wagering. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government retains 0.8% on all bets placed in Canada for provision of drug control and audit services.
